

# MOBILE SOURCE & FUEL SERVICES

## Regulatory Compliance Support For Transportation Fuels

Trinity Consultants is a leading global environmental consulting firm that brings 50 years of experience providing services and solutions in the EHS Regulatory Compliance, Built Environment, Life Sciences, and Water & Ecology markets. Trinity has the technical expertise, industry depth, and specialized capabilities to help clients achieve their goals across the natural and built environments.

### How Trinity Can Help

Navigating transportation fuel regulations requires in-depth knowledge of all pertinent federal and state requirements. Trinity's specialists offer a comprehensive range of technical services to help refineries, renewable fuel producers, fuel traders, importers, distributors, investors, project developers, and station owners achieve their compliance, commercial, and sustainability goals.

Trinity's Fuels Services Team:

- ▶ Monitors regulatory changes and participates in agency workshops
- ▶ Prepares assessments of key regulatory actions
- ▶ Drafts comments and testimony on proposed regulations
- ▶ Provides expert technical support for litigation challenging new or amended regulations, government enforcement actions, and related commercial disputes
